

CAMP WAINGARO

Camp Waingaro is situated at:
1850 Waingaro Rd,
RD1,
Ngaruawahia

The Camp Waingaro Committee have been working very hard to improve this camp site. We would welcome any enquiries from Groups wanting to use the facilities. As time goes by the committee will continue to improve the site and add new features such as bunk rooms. This will make the camp much more appealing for your next Group or Section day or overnight camp. If you haven't been there before it really is a small slice of beauty and tranquility.
